Adding Tens Directions

You need

- Number Cards, 1–50
- Counting by 10 Cards, 10–50
- 2 sets of 50 connecting cubes, in towers of 10. Sets should be in two different colors.
- Addition Recording Sheet (1 per person)

Play with a partner. Work together.

- 1 Turn over one Number Card.
- 2 Build the number using cubes of one color.
- 3 Turn over one Counting by 10 Card.
- 4 Build the number using cubes of the other color.
- 5 Find how many cubes you have in all.
- 6 Each player writes an equation for the problem.

More Ways to Play:

- Use Ten Frame Cards instead of cubes to build the numbers.
